## Experience

### Teacher's Assistant

*Ohlone Junior College, Fremont, CA / January 2017 - June 2018*

- Provided students with teaching assistance in multimedia programs which included Photoshop, Premiere Pro, and Audacity.

### Production Assistant

*Tesla, Inc., Fremont, CA / November 2012 - July 2013*

- Assembled Model S car parts.
- Controlled CNC mills, power tools, and forklifts.
- Worked on a team performing physically demanding jobs.

### Delivery Driver

*Round Table Pizza, Fremont, CA / November 2009 - November 2012*

- Managed the register, took food orders, cooked, delivered pizza, and maintained a clean restaurant with a friendly atmosphere.

## Education

### Bachelor of Fine Arts in Interaction and Game Design

*California State University East Bay, Hayward, CA / August 2018 - December 2020*

### Associate of Arts in Multimedia

*Ohlone Junior College, Fremont, CA / January 2009 - June 2018*

## Projects

### Arbo - Online Product's Ecological Footprint Plugin

Browser plugin designed to inform customers of a product's ecological footprint.

### Website Redesign 1 - CSUEB Interaction Design Grad Program

A redesign of CSU East Bay's website for the IxD Grad Program.

### Website Redesign 2 - Zachary's Chicago Pizza

A redesign of Hayward's Zachary's Chicago Pizza's website.

### HabTracker - Animal Habitat Tracking Application

Application designed for habitat conservationists to better perform their jobs.

### Food Truck Flinder - Real-Time Food Truck Locator

Application designed to locate San Francisco food trucks with real-time data.
